Create an ASI Central Account

Jennifer M - 2022-08-04 - All About ASI

To create a new ASI Central account, go to www.asicentral.com and click on the "Create An Account" link.

A screenshot of the ASI Central login and registration interface. It features a dark background with white text and input fields. At the top, there are two white input fields labeled 'Username' and 'Password', followed by a red 'LOGIN' button. Below these, there are three links: 'Create An Account' (which is circled in blue), 'Forgot Password', and 'Forgot Username'.

Complete the form and then click on the Register button. Once your new ASI Central login has been established, you will receive an email confirmation.
