

Accessing the ESP Websites Admin

Tamika C - 2024-03-27 - Getting Started

The ESP Websites Admin enables you to manage your ESP Website(s) and Company Store(s).

To access the ESP Websites Admin, open your internet browser (Google Chrome, Mozilla Firefox, Safari, Internet Explorer 11, etc.) and type: www.SearchESP.com in the address bar.

Log in using your ESP Username or email, followed by your password. Then, click on the Log In button.

[Need a license?](#) • [Trouble logging in?](#)

The "Keep me logged in" field will ensure that you remained logged into ESP. This is known as persistent authentication and means that ESP will keep you logged in, even if you are inactive for long periods of time. You will remain logged into ESP in your browser unless you

Note: The "Keep me logged in" checkbox will be automatically checked, so be sure to log out on public computers.
